Program Description

The course will introduce social workers and other licensed/certified mental health practitioners at intermediate and advanced levels each week to an advanced clinical diagnostic category. The course prepares clinicians to work psychoanalytically with a wide range of presenting symptoms and offers perspectives from various mental health disciplines. The recognition of dynamics, early resistances, transference and countertransference issues will be addressed in order to establish a working alliance with the client.

Demetria DeLia, PhD, LCSW

PRESENTER

A doctorate level clinical social worker and certified psychoanalyst, Dr DeLia is a faculty member at the Academy of Clinical and Applied Psychoanalysis. She has a private practice in Newfoundland, NJ and has published on trauma.

Judy Ashworth, LCSW

PRESENTER

Judy Ashworth is licensed clinical social worker and a certified psychoanalyst. She is in private practice in Morristown, NJ and is a specialist in eating disorders.

ABOUT ACAP

ACAP is a not-for-profit school founded in 1982 as a center to developing modern psychoanalytic methods to improve the functioning of everyday people and a full range of emotional challenges. ACAP does this through:

- **A Certificate Program in Modern Psychoanalytic Study**
- **Treatment for all through the North Jersey Consultation Center**
- **The Applied Division, offering workshops, conferences and outreach to the community**
