Ethical Issues in Psychoanalytic Psychotherapy

Presenter

Demetria DeLia, PhD, LCSW

Saturday, March 27, 2010

10am - 4pm

Program Description

This ethics workshop will demonstrate the ethical issues that confront social workers, counselors and other mental health practitioners in private practice who use the treatment modality of psychoanalytic psychotherapy. It will be demonstrated that ethical practice is the best protection against malpractice claims.

Session will address ethical issues regarding patients' rights and recordkeeping as well as clinical interactions with patients.

Fee: \$125

formerly Dean of Curriculum at the NJ Center for Modern Psychoanalysis. She is the author of numerous articles.

PROGRAM OBJECTIVES:

Attendees of this workshop will be able to

rate ethical standards with professional responsibilities, as described in codes of ethics for social workers and other mental health clinicians

rate knowledge of the theoretical basis for ethical principles in clinical work

erstand the importance of accurate and complete recordkeeping as the best protection for the clinician and the client if the clinician's records are subpoenaed

inguish between boundary violations and boundary crossing
